MEMORANDUM FOR: Acting Deputy Director (Support)

SUBJECT : Nomination of Comptroller Personnel to
Senior Defense Colleges and Advanced
Management Program

REFERENCE : Your Memorandum on this Subject Dated 24 September
1956

1. We are forwarding as an attachment to this memorandum a list of nominees to the Senior Defense Colleges.

2. We wish to call to your attention that the last three Agency nominees for the Advanced Management Course at Harvard were from the Office of the Comptroller. Currently only ten persons on my staff who have not already taken the course meet the eligibility requirements. Of this number three are overseas and are not likely to complete leave in time for either session. Another is assigned to a special project for the Director and could not be released. Still another has just been given a special assignment by the DD/E for one year and should not be considered for extended training for at least that time.

3. From the remaining five persons we nominate Mr. [] Deputy Chief, Finance Division. If Mr. [] were not selected for the first course we would want him to be the Comptroller nominee for the second course.
